

QUILEUTE TRIBAL SCHOOL

***** NOTICE OF ASBESTOS MATERIALS IN THIS FACILITY *****

All non-employee workers (e.g., telephone repairperson, utility worker, carpenter, exterminator, contractor) conducting any work in buildings owned or leased by this school, are hereby notified that asbestos containing building materials (ACBM) have been located in some buildings, exclusive of the Akalat Center and main school building.

Information concerning the location of the asbestos containing building materials (ACBM) within or buildings may be found in the School's Asbestos Management Plan, which is located in the School Accounting Office.

Please refer to this Plan when working in any of the School's facilities. If there are any questions about the documented information, please contact the designated person identified in the Plan.

At the Quileute Tribal School facility, the following items have been identified as containing asbestos:

**9" Floor Tile
Sheet Vinyl Flooring
Window Caulking**
